Dear Sir/Ms:

The following question has been received:

Question: Item 202.08 Building Removal – Who is responsible for moving the junk automobiles and how will it be paid for?

Response: MaineDOT does not feel that the junk automobiles are a hindrance to the removal of the building. Item 202.08 is for the removal of building No. 1 only. The junk automobiles are the property and responsibility of the land owner. Any action regarding the junk automobiles will require coordination with the property owner and Resident.

Consider this information prior to submitting your bid on October 12, 2011.

Sincerely,

for Scott Bickford
